

THE LEADER IN HiSET® Test Preparation

Aztec Software and Kaplan Test Prep, two trusted names in adult education, have joined forces to bring students preparing for a High School Equivalency Diploma, the most comprehensive prep course available anywhere.

HiSET® TEST PREPARATION

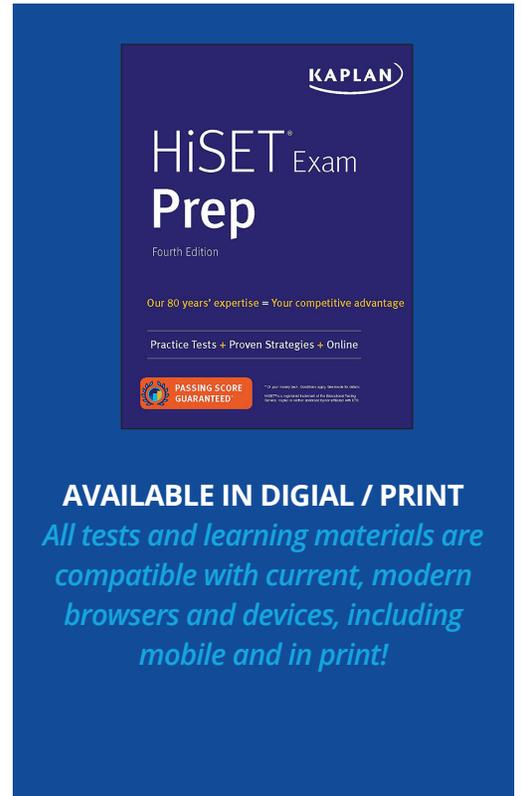

Aztec ensures that your students have all the tools they need to succeed for the HiSET® Test. The Kaplan HiSET prep powered by Aztec will provide students with not only a better understanding of the new competencies, but equip them with skills necessary to thrive in this new academic climate. Aztec brings advanced technology and over 40 years of experience working with adult learners. Knowing that the HiSET® Test will continue to change, Aztec is committed to equipping learners with the most current and up-to-date prep solution.

UNIQUE DIAGNOSTIC & PRESCRIPTIVE APPROACH

The HiSET® Test measures the foundational core of academic skills that represent the long-term goals of secondary education, particularly the critical thinking skills of analysis and evaluation. It directly assesses the academic skills in reading, language arts, mathematics, science and social studies that typically define high school coursework. Using Aztec Software's HiSET® Prep Solution with its unique diagnostic and prescriptive approach, learners will be equipped with individual educational plans that will improve their critical thinking skills, while also focusing on the individual's educational challenges.
