
# GED Flash™

Developed in partnership with the GED Testing Service®, **GED Flash™** is proven to boost learners' skills and confidence.

**Available in English and en Español!**

MATH | READING LANGUAGE ARTS | SCIENCE | SOCIAL STUDIES

**GED Flash™** helps students quickly review and strengthen their skills in key GED® test areas. This interactive tool provides personalized question sets with immediate feedback, allowing learners to target areas where they need the most improvement. Whether students are just starting preparation or need a final review, **GED Flash™** is an effective study aid with proven results.

Ensure GED® test success with:

- 6,000+ practice items aligned to GED® test questions in style, structure, and skills
- Instant feedback with answer explanations
- Randomized question bank for repeated practice
- Data on student usage, progress, and time on task

**The GED Testing Service® reports that GED Flash™ users are 79% more confident about taking the GED® test.**

**4+ IMPROVES TEST SCORES BY POINTS**

GED Testing Service® data shows that students who practice frequently on **GED Flash™** scored on average 4 points higher on their GED® test!

**GED Flash™ is the only exclusive GED® aligned practice resource in education!**
